

Duke of Edinburgh Journeys

We specialise in **Expedition (Skills-focused)** or **Exploration (Environmental/cultural investigation) Adventurous Journey (AJ)** component across **Bridge, Bronze, and Silver levels**. Our programs are designed to develop students' resilience, leadership and environmental stewardship through immersive outdoor experiences.

What We Offer

- Preparation, Practice and Qualifying Journeys, aligned with Award requirements.
- Overnight hiking and canoeing expeditions for Bronze and Silver AJs.
- Programs based at Nudgee Beach and/or off-site at locations such as Lake Samsonvale, or D'Aguilar Range.
- Bushwalking, canoeing and camping experiences, led by qualified educators with bushwalking and expedition accreditations.
- Integrated learning in navigation, campcraft, teamwork, and sustainability.

*We run AJs during school term time only (**not** weekends or school holidays).*

Group Requirements

To ensure safe and effective delivery of all AJs:

- We work with groups a minimum of 14 and maximum 21 students
- A minimum 1:7 staff-to-student ratio is required
- At least two visiting school staff must accompany the group, with appropriate fitness, and experience, plus camping skills. Our NBEEC teachers have certified bushwalking, canoeing and expedition experience.
- Visiting staff must have completed the relevant Duke of Edinburgh Award Leader training, as advised by the Queensland Award Office
- Hire of camping and expedition equipment can be negotiated upon booking

Why Choose NBEEC?

With our expert staff, flexible program locations, and a strong focus on safety, inclusion and sustainability, we create opportunities for young people to connect with themselves, others and the natural world, while fulfilling Award requirements.
